## Integrated Management System Policy Statement

Kualiti Alam Sdn Bhd, an Integrated Scheduled Waste Management Centre, is in the business of providing off-site facility for the treatment and disposal of scheduled wastes in Peninsular Malaysia. Being a Socially Responsible Corporation, we believe that sustainable development, in the sense of balancing development with the proper and safe disposal of toxic and hazardous wastes, is the inevitable solution to providing a safe future to the coming generations.

As such, Kualiti Alam Sdn Bhd is committed to provide efficient and excellent services to our customers while safe guarding the safety and health of our employees and associates specifically, and the general environment generally, by implementing the following principles.

- Striving for recognition of Quality Services that meet customer's expectation
- Ensuring compliance with applicable legal and other requirements relevant to our operations
- Committing to achieving continual improvement in the areas of Safety, Health, Environment and Quality Management of the Waste Management Centre
- Committing to minimise and prevent pollution to the best practicable means with the aim of preserving the natural environment and stakeholders affected by our operations
- Inculcating a safe behaviour among employees and associates operating for KASB to proactively minimise injuries and ill health from our operations.
- Promoting safe behaviour and practices among service providers.
